

How to get to the Sofia University Student Hostel, Darvenitza Campus, bl.55

The Organizing Committee will try to do its best to meet you at the Sofia Airport or Railway Station at the exact arrival time you have mailed to us. Nevertheless, if something unexpected happens you can find here some instructions how to get to the Student hostel you will be accommodated in:

From the central railway/bus station: Take mini-bus № 5 and get off at Winter Palace (Zimen dvoretz) bus-stop. Follow the red line of the map attached below.

Form the airport: Take bus № 84 and get-off at the “Hotel Pliska” bus-stop. Then go to the bus-stop at the opposite site of the boulevard and take bus № 280. Get off at Winter Palace (Zimen dvoretz) bus-stop. Follow the red line of the map attached below.

The price of a single bus ticket is 0.70 leva. If you purchase a ticket from the bus driver the price is 0.80 leva. The price of the mini-bus ticket is 1.50 leva.

BUGARIAN CURRENCY

Bulgarian currency is called "lev" (1 EURO=1.95 leva), so 1 USD is about 1.55 levs. Only banknotes or coins from 1999 emission or later are valid. Avoid exchange offices at the Airport, Railway Station or the Central Bus Station because their rates are not favorable and please, do not make exchange deals on the street. Exchange offices in the center of Sofia are generally OK but check whether they want to take some commission and whether the rates you see are valid for small amounts as well.
