

## Participant List

|                        |  |
|------------------------|--|
| Changrim Ahn           | Ewha Womans University                   |
| Vasil Avramov          | Sofia University                         |
| Hrachya Babujian       | Yerevan Physics Institute                |
| Nikolay Bobev          | KU Leuven                                |
| Viktor Bonchev         | Sofia University                         |
| Gergana Daskalova      | Sofia University                         |
| Vladimir Dobrev        | INRNE, BAS                               |
| Simon Ekhammar         | King's College London                    |
| Gwenaël Ferrando       | Tel Aviv University                      |
| Veselin Filev          | IMI, BAS                                 |
| Sascha Gehrman         | Leibniz University Hannover              |
| Alessandro Georgoudis  | QMUL                                     |
| Tamas Gombor           | Eötvös Loránd University                 |
| Nikolay Gromov         | King's College London                    |
| Jesper Jacobsen        | ENS                                      |
| Moritz Kade            | HU Berlin                                |
| Hristo Karimov         | Sofia University                         |
| Ivan Kostov            | IPhT, CEA-Saclay                         |
| Gleb Kotousov          | ITP, Leibniz University Hannover         |
| Michael Lashkevich     | Landau Institute for Theoretical Physics |
| Gabriel Lefundes       | IPhT                                     |
| Ivailo Mladenov        | INRNE, BAS                               |
| Clementina Mladenova   | Institute of Mechanics, BAS              |
| Mustafa Mullahasanoglu | Bogazici University                      |
| Nikolay Nikolov        | INRNE, BAS                               |
| Enrico Olivucci        | Perimeter Institute                      |
| Vincent Pasquier       | IPhT                                     |

|                    |                                |
|--------------------|--------------------------------|
| Hamed Pejhan       | IMI, BAS                       |
| Valentina Petkova  | INRNE, BAS                     |
| Todor Popov        | AUBG & INRNE, BAS              |
| Balázs Pozsgai     | Eötvös Loránd University       |
| Igor Prlina        | Institute of Physics, Belgrade |
| Miroslav Radomirov | Sofia University               |
| Radoslav Rashkov   | Sofia University               |
| Ana Retore         | Durham University              |
| Didina Serban      | IPhT Saclay                    |
| Grigor Stoilov     | Sofia University               |
| Neli Stoilova      | INRNE, BAS                     |
| Stoimen Stoimenov  | INRNE, BAS                     |
| Ivan Todorov       | INRNE, BAS                     |
| Alexander Tumanov  | ENS Paris                      |
| Tsvetan Vetsov     | Sofia University               |
| Milen Yakimov      | Northeastern University        |
| Konstantin Zarembo | Nordita                        |
